# HELP US RAISE \$1 MILLION

## MAKE CREDIT UNION HISTORY

### ★ **Contribute.**

Through the generous support of national organizations and leagues, credit unions from across the country and most importantly, individuals like you, we have been able to begin the important task of restoring and maintaining America's Credit Union Museum. But much work remains to be done and only your continued support will allow us to finish this important task and ensure the museum's future.

### ★ **Preserve.**

We need your help to preserve and commemorate the history of the credit union movement that today counts more than 9,400 credit unions and more than 80 million members across the US. Only your contributions will allow us to continue to tell the story of the movement in a way that is both involving and inspiring.

We need your support to reach our \$1 million national fundraising goal. Please contact Peggy Powell, our Executive Director, at **603.629.1553** or by email at [ppowell@acumuseum.org](mailto:ppowell@acumuseum.org). Pledge your contribution today and make credit union history.
